* **Graduate students** doing independent work that cannot be classified as actual research will register for credit under course number 599, 699, or 799.

1. **Determination of credit:** The University and Board of Regents require a minimum of 45 hours of course work for each unit of credit awarded.
2. **The number of credits of Independent Study** must lie within the approved credit range listed in the catalog course description.
3. **The content of an Independent Study course** must not significantly duplicate material offered in a regularly scheduled course in the department in the current semester; any exceptions must be approved by the college dean.
4. **Departments and programs must have an Independent Study proposal form** modeled on this approved template that is to be completed when the student enrolls in the course or at the beginning of the term.
5. **For an undergraduate Independent Study course**, the instructor or project advisor must provide either a course syllabus or a project plan detailing: (1) learning outcomes, (2) expected reading, or lab or field work, (3) expected meetings, (4) expected work products, and (5) criteria to be used for evaluation and grading.
 - a. **All proposal forms and project plans** must be signed by the instructor and the student and filed in the department or program office within a week after the term commences.
 - b. **At the end of the term**, or whenever the student completes the project, the instructor or project advisor must complete a record of the outcome that explains the grade submitted. The record of outcome form with the instructor's signature should be filed in the department or program office when the course grade is submitted.
6. **If students are paid in association with an Independent Study course**, academic credit can be awarded only for faculty-approved academic work as defined by department policy.
7. **If registration for an Independent Study course occurs after the twenty-first day** of the regular semester, after the first two days of Winter Session or Pre-session, or after the first week of a Summer Session, the department head (or designee) must sign the Change of Schedule form, in addition to the instructor.

8. **If a grade of Incomplete is awarded** for an Independent Study course at the end of the term, another Project Advisor must be identified who agrees to evaluate the student's work, should the original Project Advisor become unavailable.

Guidelines for Independent Study

1. The student should have a specific proposal or project in mind when requesting an Independent Study course.
2. **University Honors students** requesting Honors Independent Study and the faculty who agree to supervise them should consult the Guidelines for Honors Independent Studies (<http://www.honors.arizona.edu/future-students/honors-credit-across-campus>) as endorsed by the Undergraduate Council, 4/7/2009.
3. The enrollment fee for Independent Study credit is calculated at the same rate as for other credit courses.
4. Students should enroll within the first three weeks of the Fall and Spring Semesters or immediately after the beginning of Winter or Summer Sessions. Students must complete the required 45 hours of course work per credit unit before the last day of the term.
